TO: Lower Fremont Account Changes File
FROM: Bonnie Duncan *BD*
SUBJECT: Separating Hickman Acct 19-7a out of Chadburn Acct 19-7b for 1997 assessment year.

The Kay Hickman water right, 95-4775 is approximately 11% of the parent water right 95-4681 owned by Wesley A. Chadburn.

When the commissioner sends in the acre-feet of water used under distribution account 19-7b, times the total units by 11% and assign the results to Kay & Francis Hickman.

Since we did not bill Hickmans separately in 1996, they will need to pay Mr. Chadburn.
